

WeatherGuard™

Entrance Matting

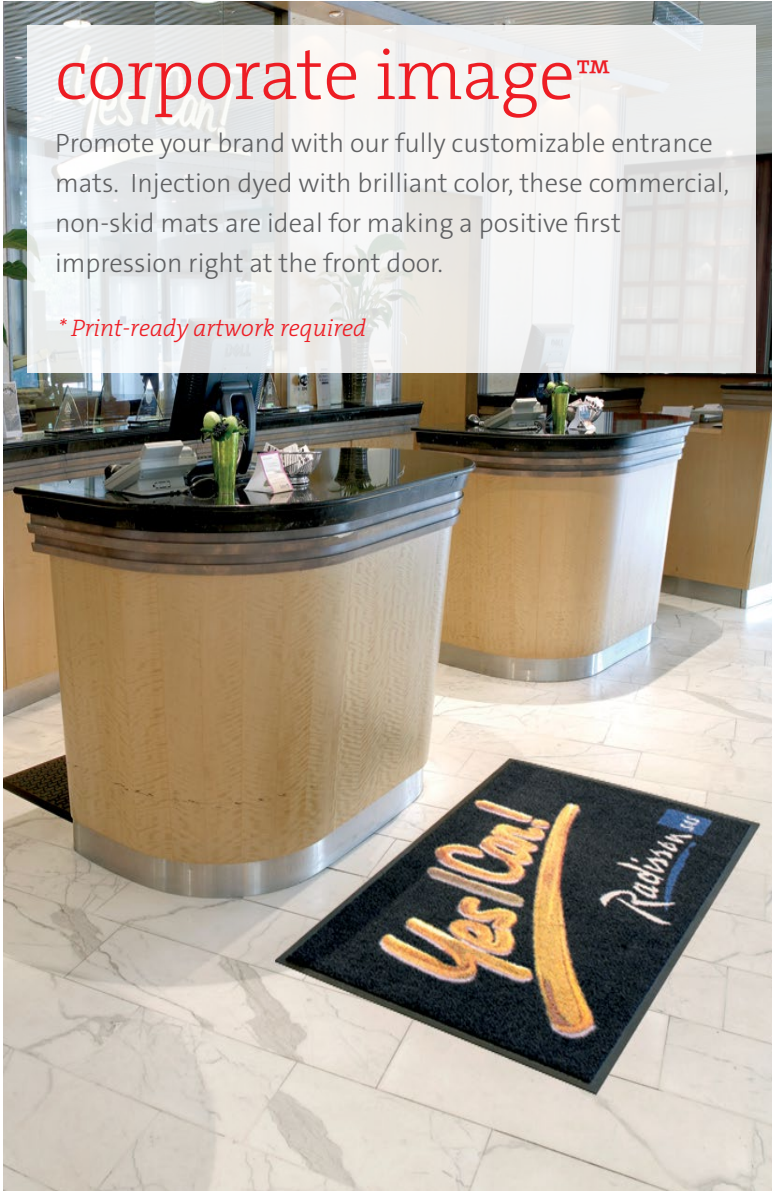

Joy Carpets & Co.

Weatherguard™ Entrance Matting traps and holds foot-bourne soil and moisture while protecting a building's interior and minimizing maintenance costs.

corporate image™

Promote your brand with our fully customizable entrance mats. Injection dyed with brilliant color, these commercial, non-skid mats are ideal for making a positive first impression right at the front door.

** Print-ready artwork required*

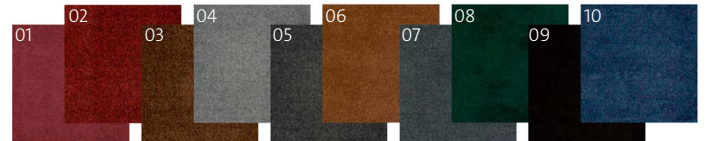

SIZE OPTIONS*: 3'x4', 3'x5', 4'x6', 3'x10'

promenade™

Promenade™ is a non-skid, washable mat available in 10 color options to match any interior decor. Designed for entryways and circulation areas, these commercial grade mats are perfect for controlling fine dirt, dust, and moisture in high traffic areas where slips and falls are most likely to occur.

** Specify color when ordering*
