

This design “hits the spot” for sophisticated fun amid controlled chaos. The grid of uniform spots will bring a space to life without overpowering the décor while random pops of colors chase boredom out the door. Perfect for young adults, Spot On has a youthful vibe without seeming childish.

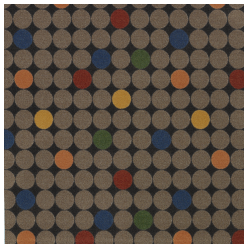

## Product Details

|                            |                       |
