

Joy Carpets & Co.

Specialty Spaces™

[carpet solutions for home, work, or play]

If you are looking for something extraordinary in that special room of the home or office, fill the void with Joy Carpets' broad selection of unique carpet and carpet tile designs. Our products express personal style, compliment specialized décor, and will maintain their beauty in even the most active interiors.

Luxury Living

Unique in color and design, these versatile patterns are certain to provide an element of refined style in select living areas. Includes casual, sophisticated, formal and traditional designs.

Workspace

Designed for distinctive commercial spaces, these high-energy patterns are manufactured to withstand the heavy traffic and year-round abuse found in the busiest commercial facilities.

Upscale Entertainment

Define and energize home theaters and family entertainment areas with our distinctive carpet designs. These exciting products layer pattern and color to create a unique level of soft sophistication.

Room to Grow

Uniquely styled to coordinate with modern design trends, these decorative and playful carpets are the perfect complement to a child nursery, teen bedroom, or juvenile play space.

Visit joycarpets.com to view our complete line of flooring options!

Made in the USA and found around the globe • Quality service, excellent value, beautiful carpet

for the world
