## **JOY CARPETS ANNOUNCES STRATEGIC MANUFACTURING PARTNERSHIP WITH MILLIKEN & COMPANY**

Companies align to meet consumer demand for advanced flooring solutions

**Fort Oglethorpe, GA** – Joy Carpets & Co., a leading provider of specialty floor coverings for residential, commercial, hospitality, and educational environments, is enhancing its manufacturing capabilities through a strategic partnership with Milliken & Co., diversified global manufacturer and expert in materials science. The partnership strengthens Joy Carpets' unique range of flooring through product innovations, manufacturing efficiencies, and increased speed to market.

"Milliken excels in textile and chemical manufacturing, and their deep industry knowledge provides immense value to Joy Carpets as we strive to deliver innovation and value to our customers," said Nick Dobosh, President. "In an increasingly competitive marketplace, Milliken's unique, science-based flooring solutions will allow us to offer best-in-class products to the markets we serve."

Scott Reams, Director of Residential Floor Covering at Milliken said, "Milliken and Joy Carpets have a long-standing relationship, and as we look ahead to the future, we are excited to align our companies in a strategic fashion. We look forward to supporting Joy Carpets with targeted manufacturing and technological expertise that will provide advanced solutions for their customers."
