# WALK IN THE PARK™

[WATERPROOF RUGS FOR SPECIALTY SPACES]

Bring the indoors *out* with **Walk in the Park™**, a stylish and versatile collection of waterproof area rugs designed for education, commercial, hospitality, and healthcare environments. Manufactured with premium woven vinyl and supported by a liquid-fused, non-skid cushioned back, these innovative rugs can withstand the rigors of year round, indoor or outdoor use in areas where moisture, stains, and UV exposure are common.

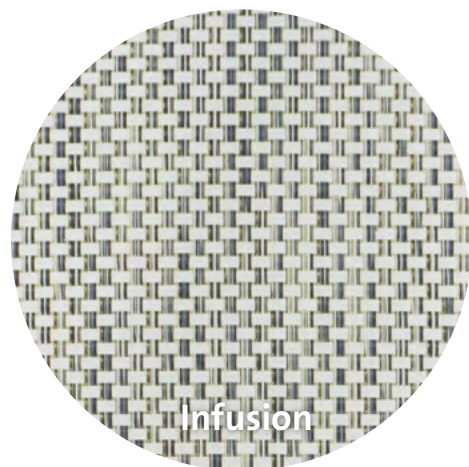

- Premium woven vinyl construction
- For indoor and outdoor use
- 100% Waterproof
- **Impervion®** mold, mildew & odor protection
- Fadeproof & Stainproof
- **HydraBac™** cushioned, non-skid backing
- Class I flammability rating
- Lead free & non-toxic
- 10 year wear warranty
- Made in the USA

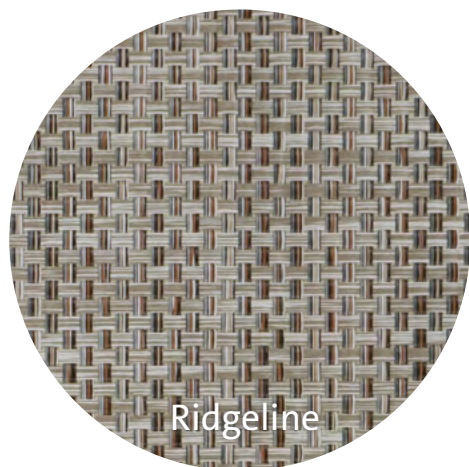

*HydraBac™ backing is a multi-layered, liquid-fused back that is 100% waterproof and will not melt, crumble, or degrade. Innovative non-skid ribbing provides cushioned support underfoot and allows increased air flow for quick drying.*
