

## Area Rugs Specifications and Warranties

### General:

|                     |   |
|---------------------|---|
| Description:        | Cut pile area rugs                            |
| Dye Method:         | <b>PrintWorks™ precision dye technology</b>   |
| Dye Resolution:     | 400 dpi                                       |
| Fiber:              | <b>WearOn® Nylon</b>                          |
| Tufted Face Weight: | 26 oz / sqyd                                  |
| Gauge:              | 1/8 <sup>th</sup>                             |
| Pile Height:        | .375  |
| Primary Backing:    | <b>SoftFlex®</b> woven polypropylene          |
| Secondary Backing:  | ActionBac                                     |
| Finishing:          | Bound and serged edges for maximum durability |
| Origin:             | USA   |

Anti-Soil and Stain Protection:

### StainSmart® triple-action protectant

- Repel – Hydrophobic chemistry makes liquids bead up and roll off
- Resist – Blocks dye sites of fiber preventing stains from bonding
- Release – Antistatic technology reduces attraction of debris to fiber

Antimicrobial Protection:

### Impervion® antimicrobial technology

- Resists growth of bacteria, mold, mildew
- Prevents discoloration and degradation of carpet
- Controls odors before they start

### Performance:

|                     |                               |
|---------------------|-------------------------------|
| Static Electricity: | < 3.5 KV (AATCC-134)          |
| Traffic:            | Residential or commercial use |
| Indoor Air Quality: |                               |

### Green Label Plus®

Certifies product exceeds most stringent indoor air quality standards and is best suited for living, working, and learning environments

### Flammability:

|                     |   |
|---------------------|---|
| Radiant Panel:      | > 0.45 watts/cm <sup>2</sup> (ASTM – E648, Class I) |
| NBS Smoke Chamber:  | <450 flaming and non-flaming (ASTM-E662 NFPA-258)   |
| Methenamine Tablet: | Self-extinguishing (DOC FF-1-70)                    |

### Maintenance:

|                        |  |
|------------------------|--|
| Spot Cleaning:         | Spot clean with approved carpet cleaner. Follow label directions<br>Vacuum regularly |
| Professional Cleaning: | Hot water extraction   |

### Limited Warranties:

|  |   |
|--|---|
| Lifetime Abrasive Wear Warranty              | - Abrasive wear of surface pile guaranteed not to exceed 10%            |
| Lifetime Texture Retention Warranty          | - Guaranteed to maintain appearance under heavy foot traffic            |
| Lifetime Soil, Stains and Pet Urine Warranty | - Provides total fiber protection against soil and stains and pet urine |
| Lifetime Anti-Static Warranty                | - Built-in static control fiber   |
| Fade Resistance:                             | - Resists fading during normal indoor use                               |

Specifications are subject to normal manufacturing tolerance.  
Sizes are approximate and actual carpet color may vary.
